CORPORATE CAPABILITIES

Innovative Workforce Solutions for Dynamic Companies

Sirius Staffing matches employers with talented professionals who are technically qualified and culturally aligned.

Contingent Staffing Services

Sirius Staffing matches the right person for every role, whether you need talent for a few days or a few years. Build effective project teams, close skill gaps and cover staff shortages quickly. Plus, if you choose to hire a Sirius resource, we make the transition to your payroll seamless.

Placement Services

Sirius Staffing handles the sourcing, screening, vetting and initial evaluation of candidates for your full-time positions. We are an extension of your HR team and provide transparency throughout the process. We are thorough yet efficient, shortening your search time for key roles.

Payroll Services

Reduce administrative burdens on your finance and administrative team by allowing Sirius Staffing to handle payroll for your workforce. We can quickly process the paperwork and perform payroll services to ensure that you bring that talent on board in the shortest time possible.
